EARNZ plc

("**EARNZ**" or the "**Company**")

Result of Placing

EARNZ plc (AIM: EARN), an AIM Rule 15 cash shell which is seeking acquisitions in the energy services sector, is pleased to announce that it has conditionally raised gross proceeds of approximately £2.05 million pursuant to a placing, conducted via the accelerated bookbuild process announced yesterday (the "**Placing**").

Conditionally, in aggregate, 27,351,450 new ordinary shares of 4p each in the Company ("**Ordinary Shares**") will therefore be issued pursuant to the Placing (the "**Placing Shares**") at an issue price of 7.5 pence per share (the "**Placing Price**"). The Placing comprises both an EIS and VCT Placing (raising gross proceeds of approximately £1.56 million) and a Non-EIS and VCT Placing (raising gross proceeds of approximately £0.49 million).

Shore Capital Stockbrokers Limited ("**SCS**") and Zeus Capital Limited ("**Zeus**") acted as joint brokers and bookrunners in connection with the Placing.

Unless the context provides otherwise, capitalised terms used in this announcement have the meanings given to them in the announcement of the proposed fundraising released on 8 August 2024.

As at 8 August 2024, being the latest practicable date prior to the date of this announcement, so far as the Company is aware, Gresham House holds 6,287,982 Existing Ordinary Shares representing 10.00 per cent. of the Existing Ordinary Share Capital. As such, Gresham House is a substantial shareholder of the Company and its participation in the Placing is a related party transaction pursuant to AIM Rule 13. The Directors consider, having consulted with the Company's nominated adviser, Shore Capital and Corporate, that the terms of Gresham House's participation in the Placing are fair and reasonable insofar as the Shareholders are concerned.

Concert Parties

Bob Holt is a common member of the Bob Holt Concert Party and the C&D Concert Party and together they are known as the Existing Bob Holt Concert Party. - the members of the Bob Holt Concert Party exercise all New Options to which they are entitled in full at the earliest available opportunity (being 29 August 2027); and
- there is no other issue of Ordinary Shares, or exercise of other New Options.

Information to Distributors

UK product governance

Solely for the purposes of the product governance requirements contained within Chapter 3 of the FCA Handbook Product Intervention and Product Governance Sourcebook (the "UK Product Governance Requirements"), and disclaiming all and any liability, whether arising in tort, contract or otherwise, which any "manufacturer" (for the purposes of the UK Product Governance Requirements) may otherwise have with respect thereto, the Placing Shares have been subject to a product approval process, which has determined that such securities are: (i) compatible with an end target market of investors who meet the criteria of retail investors and investors who meet the criteria of professional clients and eligible counterparties, each as defined in paragraph 3 of the FCA Handbook Conduct of Business Sourcebook; and (ii) eligible for distribution through all distribution channels (the "Target Market Assessment"). Notwithstanding the Target Market Assessment, distributors (for the purposes of UK Product Governance Requirements) should note that: (a) the price of the Placing Shares may decline and investors could lose all or part of their investment; (b) the Placing Shares offer no guaranteed income and no capital protection; and (c) an investment in the Placing Shares is compatible only with investors who do not need a guaranteed income or capital protection, who (either alone or in conjunction with an appropriate financial or other adviser) are capable of evaluating the merits and risks of such an investment and who have sufficient resources to be able to bear any losses that may result therefrom. The Target Market Assessment is without prejudice to the requirements of any contractual, legal or regulatory selling restrictions in relation to the Placing. Furthermore, it is noted that, notwithstanding the Target Market Assessment, the Joint Brokers will only procure investors who meet the criteria of professional clients and eligible counterparties.

For the avoidance of doubt, the Target Market Assessment does not constitute: (a) an assessment of suitability or appropriateness for the purposes of Chapter 9A or 10A respectively of the FCA Handbook Conduct of Business Sourcebook; or (b) a recommendation to any investor or group of investors to invest in, or purchase, or take any other action whatsoever with respect to the Placing Shares.

Each distributor is responsible for undertaking its own target market assessment in respect of the Placing Shares and determining appropriate distribution channels.

EEA product governance

Solely for the purposes of the product governance requirements contained within: (a) EU Directive 2014/65/EU on markets in financial instruments, as amended ("MiFID II"); (b) Articles 9 and 10 of Commission Delegated Directive (EU) 2017/593 supplementing MiFID II; and (c) local implementing measures in the European Economic Area (together, the "MiFID II Product Governance Requirements"), and disclaiming all and any liability, whether arising in tort, contract or otherwise, which any "manufacturer" (for the purposes of the MiFID II Product Governance Requirements) may otherwise have with respect thereto, the Placing Shares have been subject to a product approval process, which has determined that the Placing Shares are: (i) compatible with an end target market of (a) retail investors, (b) investors who meet the criteria of professional clients and (c) eligible counterparties, each as defined in MiFID II; and (ii) eligible for distribution through all distribution channels as are permitted by MiFID II (the "EU Target Market Assessment"). Notwithstanding the EU Target Market Assessment, distributors should note that: the price of the Placing Shares may decline and investors could lose all or part of their investment; the Placing Shares offer no guaranteed income and no capital protection; and an investment in the Placing Shares is compatible only with investors who do not need a guaranteed income or capital protection, who (either alone or in conjunction with an appropriate financial or other adviser) are capable of evaluating the merits and risks of such an investment and who have sufficient resources to be able to bear any losses that may result therefrom. The Target Market Assessment is without prejudice to the requirements of any contractual, legal or regulatory selling restrictions in relation to the Placing. Furthermore, it is noted that, notwithstanding the EU Target Market Assessment, the Joint Brokers will only procure investors who meet the criteria of professional clients and eligible counterparties.

For the avoidance of doubt, the EU Target Market Assessment does not constitute: (a) an assessment of suitability or appropriateness for the purposes of MiFID II; or (b) a recommendation to any investor or group of investors to invest in, or purchase, or take any other action whatsoever with respect to the Placing Shares.

Each distributor is responsible for undertaking its own target market assessment in respect of the Placing Shares and determining appropriate distribution channels.
