New Customer Win stc Bahrain

Continued customer expansion across the Middle East region

[Corero \(AIM: CNS\)\(OTCQB: DDOSE\)](#) the distributed denial of service ("DDoS") protection specialists, is pleased to announce a significant partnership with stc Bahrain, the market leader in Bahrain's telecommunications sector. This collaboration aims to deliver premium protection services, ensuring service levels are safeguarded against both external attack traffic and internally generated DDoS threats.

The partnership with Corero Network Security underscores stc Bahrain's ongoing commitment to delivering top-tier service quality and security. The introduction of DDoS-protected service availability adds another layer of premium protection for its customers, reinforcing stc Bahrain's position at the forefront of telecommunications innovation in Bahrain.

Carl Herberger, Chief Executive Officer at Corero, commented:

"We are thrilled to partner with stc Bahrain to provide enhanced DDoS protection services. This collaboration underscores our shared commitment to offering premium services to our customers. By combining stc Bahrain's innovative approach with Corero's advanced protection solutions, we are setting a new standard for telecom security in the region."

This latest customer win further demonstrates Corero's expansion across the Middle East following a number of customer wins in the region already in 2024. Corero's market leading technology continues to be selected as a trusted DDoS protection service for its proven efficacy in an increasingly complex and dynamic cyber security landscape.

Chris Goulden, Chief Financial Officer at Corero, commented:

"We are delighted with our recent successes in the Middle East and the opportunity to partner with a number of industry leaders across the region. Corero will continue to invest in the Middle East as we look to further demonstrate our market leading capabilities and enhance our go to market proposition."
