**Quarterly Net Asset Value Update**

Macau Property Opportunities Fund Limited, managed by property investment manager Sniper Capital Limited, announces that the unaudited Adjusted Net Asset Value of the Company was US\$ 66.1 million as at 30 June 2024.

This is equivalent to US\$1.07 (85 pence\*) per share and represents a decline of 12.2% (12.3% in Sterling terms) from the previous quarter.

As prefaced in the latest investor update, local developers have recently embarked on a series of heavily discounted sales of inventory properties, in order to raise cashflow, which has impacted market values in the near term. The Manager continues to achieve carefully targeted sales against this challenging backdrop. Following the successful reduction of debt levels, the Company continues to comply with all banking covenants and Loan to Value ratios.

\* Based on the US Dollar/Sterling exchange rate of 1.265 on 30 June 2024. The US Dollar/Sterling exchange rate was 1.263 as at 31 March 2024.
