**Notes for editors:**

Gamma Communications plc is a leading provider of technology-based communication services across Europe. Gamma is admitted to trading on AIM and employs over 1,800 people. Offering a range of Unified Communications, mobile, security and connectivity services, Gamma provides robust and secure end-to-end business communication solutions, enabling organisations to communicate, collaborate and offer a better customer experience.

Gamma's vision is for a better-connected world in which it can work smarter for the benefit of business, people, and the planet. Its primary market is the UK, where it delivers network-based services to SME, Public Sector, and Enterprise markets through its extensive network of trusted channel partners and direct sales and support capabilities. Expanding its presence in Europe, Gamma is continuing to grow its group of businesses focused on digital transformation by delivering services to customers via a network of channel partners in Germany, Spain, and the Benelux region.
