Notes to Editors

Northcoders is a market leading provider of technology training for businesses and individuals with courses in, Software Engineering, Data Engineering and Platform Engineering. Founded in 2015, the Group's business model operates a hybrid structure with a flagship site in Manchester and other sites in Leeds, Birmingham and Newcastle supported by a proven digital offering to support its students across the UK.

Powered by IP rich technology, Northcoders offers boot camp courses to individuals from a range of backgrounds, delivered through virtual and physical learning. The Group also works with blue chip corporates across multiple sectors to help them to achieve their digital requirements, with teams as a service and to supply innovative solutions for the upskilling and reskilling of employees. With a keen focus of inclusivity, diversity and quality at its core, Northcoders aims to address the digital skills gap in the UK to meet the increasing demand for digital specialists at all levels, from businesses and public agencies.

Northcoders was admitted to trading on AIM in July 2021 with the ticker CODE.L. For additional information please visit investors.northcodersgroup.com
