**ISSUE OF EQUITY AND TOTAL VOTING RIGHTS**

Northern 3 VCT PLC ("the Company") announces that on 23 August 2024 it allotted 427,793 ordinary shares of 5p each to shareholders who agreed to subscribe for shares under the terms of the Company's Dividend Investment Scheme. The subscription price was 86.5p per share. Following the above allotment there are 147,180,793 ordinary shares in issue.

An application will be made at the earliest practicable opportunity for the new ordinary shares, which will rank pari passu with the existing ordinary shares, to be admitted to the Official List of the Financial Conduct Authority ("the FCA") and to trading on the London Stock Exchange's market for listed securities, and dealings are expected to commence on or around 30 August 2024.

In conformity with the FCA's Disclosure Guidance and Transparency Rules (the "DTRs"), the Company notifies the market that the capital of the Company consists of 147,180,793 ordinary shares with a nominal value of 5p each. All the ordinary shares have voting rights. The Company does not hold any ordinary shares in treasury. The total number of voting rights in the Company is therefore 147,180,793 ("the Figure"). The Figure may be used by a shareholder or other person as the denominator for the calculations by which they will determine if they are required to notify the voting rights they hold in relation to the Company, or a change to those voting rights, under the DTRs.
