**About Inspecs Group plc**

INSPECS is a leading provider of eyewear solutions to the global eyewear market. The Group produces a broad range of eyewear frames, low vision aids and lenses, covering optical, sunglasses and safety, which are either "Branded" (under licence or under the Group's own proprietary brands), or "OEM" (unbranded or private label on behalf of retail customers).

INSPECS is building a global eyewear business through its vertically integrated business model. Its continued growth is underpinned by six core pillars: increasing the penetration of its own-brand portfolio, increasing distribution, growing its travel retail markets, maximising group synergies, expanding its manufacturing capacity and scaling the research and development department as it develops new and innovative eyewear products.

The Group has operations across the globe: with offices and subsidiaries in the UK, Europe, the US and China (including Hong Kong, Macau and Shenzhen), and manufacturing facilities in Vietnam, China, the UK and Italy.

INSPECS customers are global optical and non-optical retailers, global distributors and independent opticians. Its distribution network covers over 80 countries and reaches approximately 75,000 points of sale.
