About TPXimpact

We believe in a world enriched by people-powered digital transformation. Working in collaboration with organisations, we're on a mission to accelerate positive change and build a future where people, places and the planet are supported to thrive.

Led by passionate people, TPXimpact works closely with its clients in agile, multidisciplinary teams; challenging assumptions, testing new approaches and building confidence and capabilities. Combining our rich heritage with expertise in human-centred design, data, experience and technology, we work to create sustainable solutions with the flexibility to learn, evolve and change.

The business is being increasingly recognised as a leading alternative digital transformation provider to the UK public services sector, with over 90% of its client base representing public services.
