About MyHealthChecked PLC (www.myhealthcheckedplc.com)

MyHealthChecked PLC, based in Cardiff, is an AIM-quoted pioneering UK healthcare company focused on a range of at-home healthcare and wellness tests.

[MyHealthChecked](#) is the umbrella brand of a range of at-home rapid tests, as well as DNA, RNA and blood sample collection kits which have been created to support customers on their journeys to wellness. The tests are lateral-flow self-tests, whilst the sample collection kits enable the collection of blood, urine, nasal or mouth swab samples that are analysed in partner laboratories for a range of biomarkers. The tests have been made available online and for over-the-counter purchase.

The MyHealthChecked portfolio has been identified as part of a change in mindset as customers become more familiar with the concept of accessible healthcare in the growing at home testing kit market with a focus on accessibility at the right price, led by UK-based experts.
