About Good Energy www.goodenergy.co.uk

Good Energy is a supplier of 100% renewable power and an innovator in energy services. It has long term power purchase agreements with a community of more than 2,500 independent UK generators.

Since it was founded 25 years ago, the Company has been at the forefront of the charge towards a cleaner, distributed energy system. Its mission is to power a cleaner, greener world and make it simple to generate, share, store, use and travel by clean power. Its ambition is to support one million homes and businesses to cut carbon from their energy and transport used by 2025.

Good Energy is recognised as a leader in this market, through its B Corp accreditation, Which? Eco Provider status and Gold Standard Uswitch Green Tariff Accreditation for all tariffs.
