Note to Editors

Acuity RM Group plc

Acuity RM Group plc (AIM: ACRM), is an established provider of risk management services. Its award-winning software platform, STREAMÂ®, which collects and analyses data about organisations to improve business decisions and management. It is used by around 70 organisations in markets including government, utilities, defence, broadcasting, manufacturing and healthcare.

Â  
The Company is focused on delivering long term, sustainable growth in shareholder value. In the short to medium term this is expected to come from organic growth and thereafter may also come from complementary acquisitions.
