Concurrent Technologies Plc
(the "Company" or the "Group")

Launch of new website and update to branding

Concurrent Technologies Plc (AIM: CNC), a designer and manufacturer of leading-edge computer products, systems and mission critical solutions used in high-performance markets by some of the world's major OEMs, announces the launch of its new website and an update to the Company's branding: www.concurrent.tech

Over the past three years the Company has enhanced its operations, expanded its markets, and strengthened its team and culture, leading to the creation of a new brand that better reflects the Group's vision and future ambitions.

The Company's evolved brand name, Concurrent, along with a refreshed brand identity, aims to demonstrate the continued evolution of the Group and its ambitions. The legal name will remain Concurrent Technologies Plc.

Miles Adcock, CEO of Concurrent Technologies Plc, commented: *"This rebrand is not just about our evolved name and a new logo; it's about redefining our purpose and what we stand for. Our new brand and broader marketing efforts reflect our modern and ambitious culture, and act as a testament to our innovation, reliability, and exceptional service. It emphasises the expertise and dedication of Concurrent's incredible team, and our commitment to making our people the centrepiece of our story."*
