About Van Elle Holdings plc:

Van Elle Holdings is the UK's largest specialist geotechnical engineering contractor. Formed in 1984 and listed on AIM in 2016, the Company provides a wide range of ground engineering techniques and services including ground investigation, general and specialist piling, rail geotechnical engineering, modular foundations, and ground improvement and stabilisation services.

Van Elle operates through three divisions: General Piling, Specialist Piling and Rail, and Ground Engineering Services; and is focused on diverse end markets including residential and housing, infrastructure and regional construction - across which the Group has completed more than 20,000 projects over the last 40 years. The Company acquired ScrewFast Foundations Limited in April 2021 and Rock & Alluvium Limited in November 2023.
