About Victrex:

Victrex is an innovative world leader in high performance polymer solutions, focused on the strategic markets of Automotive, Aerospace, Energy & Industrial, Electronics and Medical. Every day, millions of people rely on products or applications which contain our sustainable materials, from smartphones, aeroplanes and cars to energy operations and medical devices. With over 40 years' experience, we are moving beyond the polymer into semi-finished and finished products which shape future performance for our customers and our markets, enable environmental and societal benefit for our customers and drive value for our shareholders.
