**About Graft Polymer (UK) Plc**

Graft Polymer (UK) Plc is an innovative biotechnology company focused on developing intellectual property relating to the treatment of mental health and substance use disorders, and the co-development of therapeutics for mental health disorders. Our mission is to improve outcomes for individuals suffering from these conditions, with an initial focus on trauma-related mental health disorders, such as PTSD, which affects approximately 13 million adults in the U.S. and 20 million in US, UK, and key EU markets.
