Skillcast Launches CoreCompliance: A Comprehensive Compliance Training Portal for Small Businesses

Skillcast (AIM: SKL), a leader in compliance training and e-learning, is excited to announce the launch of CoreCompliance, a staff compliance training portal tailored for small businesses, particularly those in financial services. This turnkey portal delivers essential compliance training, assessments and monitoring tools to help businesses ensure that their staff stay compliant with ever-evolving regulations. It replaces the Skillcast Basic Plan and offers more courses, knowledge checks, and other features.

Designed with ease of use and affordability in mind, CoreCompliance provides access to a comprehensive library of over 100 expertly curated courses on key compliance topics, such as bribery and corruption, cybersecurity, GDPR, financial crime, health and safety, equality, sexual harassment, and more. Additionally, financial services firms can access training covering conduct rules, consumer duty, and all key FCA Handbook topics for their staff.

The platform is built to streamline compliance training and management, empowering small business teams to achieve and maintain compliance without the complexities often associated with larger systems.

Key Features of CoreCompliance:

- **Comprehensive Compliance Course Library:** Covering essential topics such as anti-bribery, financial crime, data protection, equality, harassment and workplace safety.
- **Tailored for Small Businesses:** Built specifically for companies with teams of up to 50 employees, CoreCompliance offers an accessible, cost-effective solution for managing compliance needs.
- **Automated Reporting and Monitoring:** The platform tracks employees' training progress in real-time, providing businesses with the insights they need to stay compliant.
- **Flexible, Engaging Learning Experience:** Employees can access interactive courses at their own pace, ensuring they effectively meet compliance requirements.

Vivek Dodd, CEO of Skillcast, said: *"We're thrilled to introduce CoreCompliance as a comprehensive solution to help small businesses train their staff on regulatory compliance easily and efficiently. In today's regulatory environment, staying compliant is critical. Our platform offers the breadth and quality of courses and the tracking and management that small companies to reduce risk and demonstrate compliance to regulators and other stakeholders."*
