About EMV Capital plc (EMVC)

EMV Capital plc, formerly known as NetScientific plc, is a deep tech and life sciences venture capital investment group with an international portfolio of high-growth companies.

With a strategic focus on generating superior returns for investors from the fast-growing sectors and technologies that will define our future; EMV Capital invests in, manages and strengthens early stage IP-rich companies.

EMV Capital holds both direct equity stakes and carried interest in its portfolio companies, creating an evergreen structure that supports extensive growth and value creation. EMV Capital's investment thesis is realised through these capital sources:

- capital-efficient investments through Group balance sheet;
- fund management of the Evergreen EIS and Martlet Capital Funds;
- syndicated investments leveraging its network of third-party investors.

EMV Capital's approach is characterised by its proactive management style, aiming to advance portfolio companies to critical value inflection points by actively engaging with them. Companies are supported through Board representation and the use of its Value Creation Services practice.

Headquartered in London, with a Cambridge presence and strong international links, EMV Capital is quoted on the AIM market of the London Stock Exchange.
