

Tetragon Financial Group Limited Statement Regarding Press Speculation

LONDON, 14 Oct. 2024 -- Tetragon Financial Group Limited notes the recent media speculation concerning a potential transaction involving Equitix, which is part of TFG Asset Management, Tetragon's alternative asset management platform.

As we discussed in our 2023 Annual Report, the strong performance of Equitix, as well as other businesses on the platform, has enhanced the attractiveness of individual business transactions and other strategic opportunities as important ways of realising the value inherent in TFG Asset Management. As such, the strategy for TFG Asset Management with respect to Equitix will continue to include engaging with strategic partners and financial advisors to explore options for executing on transactions or partnerships that would take advantage of this value enhancement.
