However, if the vendor makes the request, payment can be entirely satisfied by the issue of new Ordinary Shares.

Application has been made for the new Ordinary Shares to be admitted to trading on AIM and dealings are expected to commence on 18 October 2024.

The new Ordinary Shares will rank pari passu with the Company's existing Ordinary Shares. The total number of Ordinary Shares in issue following Admission will be 35,960,729.
