HICL Infrastructure PLC

HICL Infrastructure PLC ("HICL") is a long-term investor in infrastructure assets which are predominantly operational and yielding steady returns. It was the first infrastructure investment company to be listed on the London Stock Exchange.

With a current portfolio of over 100 infrastructure investments, HICL is seeking further suitable opportunities in core infrastructure, which are inherently positioned at the lower end of the risk spectrum.

Further details can be found on the HICL website www.hicl.com.

Investment Manager (InfraRed Capital Partners)

The Investment Manager to HICL is InfraRed Capital Partners Limited ("InfraRed") which has successfully invested in infrastructure projects since 1997. InfraRed is a leading international investment manager, operating worldwide from offices in London, New York, Seoul, Madrid and Sydney and managing equity capital in multiple private and listed funds, primarily for institutional investors across the globe. InfraRed is authorised and regulated by the Financial Conduct Authority.

The infrastructure investment team at InfraRed consists of over 100 investment professionals, all with an infrastructure investment background and a broad range of relevant skills, including private equity, structured finance, construction, renewable energy and facilities management.

InfraRed implements best-in-class practices to underpin asset management and investment decisions, promotes ethical behaviour and has established community engagement initiatives to support good causes in the wider community. InfraRed is a signatory of the Principles of Responsible Investment.
