**RA INTERNATIONAL GROUP PLC**  
("RA International", "RA" or the "Company")  
**New Contract Award**

RA International Group PLC (AIM: RAI), a leading specialist in delivering complex and integrated remote site services to organisations globally, is pleased to announce that it has been awarded a new contract with the United Nations Interim Security Force for Abyei ("UNISFA") (the "UNISFA Contract").

The three-year contract (with two additional option years), valued between USD 60m and USD 70m in aggregate over the five-year period, will commence immediately. RA has been supporting UNISFA in Abyei, which is situated between Sudan and South Sudan, since 2020 through the provision of manpower under the Force Mobility contract worth USD 5m, and the new contract award for the provision of camp management services evidences the Company's ability to upsell services, build long-standing relationships and grow alongside our clients to support their missions in the medium-long term.

Together with the UNISFA Contract and the recently announced awards with UK MOD and UNSOS on 17 and 24 September 2024 respectively, RA has continued growing its US subsidiary, RA Federal Services LLC, with the award of an exciting Design Build Construction contract in support of the Department of State's Rapid Engineering Construction ("REC") Programme for the US Embassy in Zimbabwe. This is our fourth project award in support of the REC Programme, with prior contracts for the US Embassies in Suriname, Thailand, and the Maldives with a combined aggregate value of up to USD 13.5m. These contracts are expected to be completed in 2025.

Soraya Narfeldt, Chief Executive Officer, said: "The UNISFA Contract is RA's third significant contract win in recent months, and is evidence that our ability to execute contracts professionally and to a high standard is valued by our clients. A contract win of this magnitude is always significant to us but means more when it is a reflection of our previous strong performance and support to a client."
