**About Elixir International plc**

Elixir is an award-winning global consulting firm working with clients across a diverse range of industries, markets and geographies.

Founded in 2009, the firm set out to be the 'challenger consultancy' and do things differently than the large corporate consultancies dominating the industry: working openly and collaboratively with clients from start to finish, delivering outcomes based on innovative thinking, not methodology, and treating each client's business like their own. Elixir has been quoted on the AIM market of the London Stock Exchange since 2020. In addition to strong organic growth, Elixir has acquired seven boutique firms - Den Creative, Coast Digital, The Reteam Group, iOLAP, Responsum, Insigniam and Hypothesis - to grow the Group's capabilities, diversify the business, expand into new geographies and access new clients.
