**US 213 million Contract Signed**

SRT Marine Systems plc ('SRT'), a global provider of maritime domain awareness systems and technologies for security, safety and environmental protection is pleased to advise that further to its recent announcement of an award notification, on Wednesday 30<sup>th</sup> October 2024 it signed a binding Contract with the Kuwait Ministry of Interior worth US 213 million to deliver an integrated SRT maritime surveillance system. Implementation commences immediately.

The contract was signed at the Kuwait Ministry of the Interior in Kuwait City, by His Excellency Sheikh Fahad Yousef Al-Sabah, the First Deputy Prime Minister, Minister of Defense, and Minister of Interior, and Simon Tucker (SRT CEO) with Commodore Sheikh Mubarak Ali Al-Sabah (Head of Kuwait Coast Guard) and Her Excellency, Mrs Belinda Lewis (British Ambassador to Kuwait) and other important dignitaries in attendance.

The contract is for a state-of-the-art national maritime surveillance system for the Kuwait Coast Guard and other relevant agencies. The system will incorporate a broad range of sophisticated sensor systems, USV's, Ai Analytics, augmented reality and integrated command & control systems as well as new supporting civil infrastructure. The contract forms a 12 year partnership with implementation expected to take up to 2 years, followed by 10 years of support, training and maintenance.

Simon Tucker, CEO of SRT Marine Systems, commented:

"Winning this landmark contract is a huge honour and achievement for SRT and reflects our many years of technology and project delivery capacity investment. This system will undoubtedly be amongst the most sophisticated maritime surveillance system in the world, incorporating several significant innovations along with full integration and digitisation of surveillance and command and control which will provide a powerful tool to enhance national security and maritime safety and environment protection and sustainability. We look forward to working with our new sovereign partner to deliver this contract and more in the coming years."
