Additional information for US investors in DS Smith

The Combination relates to the shares of an English company and is being made by way of a scheme of arrangement provided for under Part 26 of the Companies Act. The Combination, implemented by way of a scheme of arrangement, is not subject to the tender offer rules or the proxy solicitation rules under the US Securities Exchange Act of 1934, as amended (the "US Exchange Act"). Accordingly, the Combination and the Scheme is subject to the disclosure requirements and practices applicable to a scheme of arrangement involving a target company incorporated in the UK and listed on the London Stock Exchange, which differ from the disclosure requirements of US tender offer and proxy solicitation rules. If, in the future, International Paper exercises its right to implement the Combination by way of an Offer and determines to extend the Offer into the United States, the Combination will be made in compliance with applicable US laws and regulations.

The New International Paper Shares to be issued pursuant to the Combination have not been registered under the US Securities Act of 1933, as amended, (the "US Securities Act"), and may not be offered or sold in the US absent registration or an applicable exemption from the registration requirements of the US Securities Act. The New International Paper Shares to be issued pursuant to the Combination will be issued pursuant to the exemption from registration provided by Section 3(a)(10) under the US Securities Act. If, in the future, International Paper exercises its right to implement the Combination by way of an Offer or otherwise in a manner that is not exempt from the registration requirements of the US Securities Act, it will file a registration statement with the SEC that will contain a prospectus with respect to the issuance of New International Paper Shares. In this event, DS Smith Shareholders are urged to read these documents and any other relevant documents filed with the SEC, as well as any amendments or supplements to those documents, because they will contain important information, and such documents will be available free of charge at the SEC's website at www.sec.gov or by directing a request to International Paper's contact for enquiries identified above.

Neither the SEC nor any US state securities commission has approved or disapproved of the New International Paper Shares to be issued in connection with the Combination, or determined if this announcement is accurate or complete. Any representation to the contrary is a criminal offence in the United States.

The Scheme Document contains certain unaudited financial information relating to DS Smith that has been prepared in accordance with the accounting standards applicable in the UK and thus may not be comparable to financial information of US companies or companies whose financial statements are

prepared in accordance with US generally accepted accounting principles. US generally accepted accounting principles differ in certain significant respects from accounting standards applicable in the UK.

It may be difficult for US DS Smith Shareholders to enforce their rights and any claim arising out of the US federal securities laws against DS Smith or its directors or officers, because DS Smith is incorporated under the laws of England and Wales, some or all of DS Smith's assets are or may be located in non-US jurisdictions, and some or all of its officers and directors are residents of a non-US country. US DS Smith Shareholders may not be able to sue a non-US company or its officers or directors in a non-US court for violations of the US securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's judgment.

US DS Smith Shareholders also should be aware that the Combination may have tax consequences for US federal income tax purposes and under applicable US state and local, as well as foreign and other, tax laws, and, that such consequences, if any, are not described herein. US DS Smith Shareholders are urged to consult with legal, tax and financial advisers in connection with making a decision regarding the Combination.

The factors described in the context of such forward-looking statements in this announcement may cause the actual results, performance or achievements of any such person, or industry results and

developments, to be materially different from any results, performance or achievements expressed or implied by such forward-looking statements. No assurance can be given that such expectations will prove to have been correct and persons reading this announcement are therefore cautioned not to place undue reliance on these forward-looking statements which speak only as at the date of this announcement. All subsequent oral or written forward-looking statements attributable to International Paper or DS Smith or any persons acting on their behalf are expressly qualified in their entirety by the cautionary statement above. Neither of International Paper nor DS Smith undertakes any obligation to update publicly or revise forward-looking statements, whether as a result of new information, future events or otherwise, except to the extent legally required.
