**Clean Power Hydrogen plc
("CPH2", the "Company" or the "Group")**

Settlement with GHFG

CPH2, the UK-based green hydrogen technology and manufacturing company that has developed the IP-protected Membrane-Free Electrolyser ("MFE"), is pleased to announce the settlement of its legal action with GHFG Limited ("GHFG"), initially disclosed on 6 June 2023.

All parties have agreed to settle and resolve matters amicably, with no admission of fault. Under the terms of the settlement, the Company will not claim nor pay any damages and all legal action will be terminated by both parties. As stated on 6 June 2023, the licence agreement with GHFG had already been terminated.

Jon Duffy, CEO of Clean Power Hydrogen commented:

"We are pleased to have reached an amicable solution with GHFG. Our focus, following the commercialisation of the MFE110, is on the commercial roll-out of the groundbreaking technology as well as delivering the MFE220 through licensing agreements and our own manufacturing in Doncaster."
