Notes to Editors:

Anexo is a specialist integrated credit hire and legal services provider. The Group has created a unique business model by combining a direct capture Credit Hire business with a wholly owned Legal Services firm. The integrated business targets the impecunious not at fault motorist, referring to those who do not have the financial means or access to a replacement vehicle.

Through its dedicated Credit Hire sales team and network of 1,100 plus active introducers around the UK, Anexo provides customers with an end-to-end service including the provision of Credit Hire vehicles, assistance with repair and recovery, and claims management services. The Group's Legal Services division, Bond Turner, provides the legal support to maximise the recovery of costs through settlement or court action as well as the processing of any associated personal injury claim.

Bond Turner incorporates a number of other specialist legal divisions. One deals with housing disrepair claims acting for clients living in conditions where there is disrepair, damp and mould, and concentrates mainly on the social housing sector. Another focuses on large loss claims, including professional and clinical negligence and complex medical claims. Bond Turner is also involved in group actions including diesel emissions and is currently pursuing claims against Mercedes and several other major manufacturers.

The Group was admitted to trading on AIM in June 2018 with the ticker ANX. For additional information please visit: www.anexo-group.com.
