Notes to editors:

Judges Scientific plc (AIM: JDG), is a group focused on acquiring and developing companies in the scientific instrument sector. The Group now consists of 25 businesses acquired since 2005.

The acquired companies are primarily UK-based with products sold worldwide to a diverse range of markets including: higher education institutions, scientific research facilities, manufacturers and regulatory authorities. The UK is a recognised centre of excellence for scientific instruments. The Group has received five Queen's Awards for innovation and export.

The Group's companies predominantly operate in global niche markets, with long term growth fundamentals and resilient margins.

Judges Scientific maintains a policy of selectively acquiring businesses that generate sustainable profits and cash. Shareholder returns are created through the reduction of debt, organic growth and dividends.
