About 1Spatial plc

1Spatial plc is a global leader in providing Location Master Data Management (LMDM) software, solutions and business applications, primarily to the Government, Utilities and Transport sectors via the 1Spatial platform and SaaS offerings. Our solutions ensure data governance, facilitating the efficient, effective and sustainable operation of customers around the world. It allows them to master their data on any device, anywhere, anytime and can be deployed as SaaS in the cloud, on-premise, or as a hybrid of both. Our global clients include national mapping and land management agencies, utility companies, transportation organisations, government and defence departments.

We have two SaaS offerings for which we see considerable potential - NG9-1-1 and 1Streetworks. 1Streetworks automates the production of traffic management plans, diversion routing and asset inventory lists in the UK, producing a comprehensive, site-specific traffic management plan in just a few minutes. Our Public Safety NG-9-1-1 solution combines a powerful rules engine and data aggregator with a self-service cloud platform to support public safety entities with their data readiness needs.

1Spatial plc is AIM-listed, headquartered in Cambridge, UK, with operations in the UK, Ireland, USA, France, Belgium, Tunisia, and Australia.
