About Riverstone Credit Opportunities Income Plc

RCOI lends to companies that build and operate the infrastructure used to generate, transport, store and distribute both renewable and conventional sources of energy, and companies that provide services to that infrastructure. RCOI is strategically repositioning towards companies seeking to facilitate the energy transition by decarbonizing the energy, industrial and agricultural sectors, building sustainable infrastructure and reducing or sequestering carbon emissions. The Company seeks to ensure that its investments are having a positive impact on climate change by structuring each deal as either a green loan or a sustainability-linked loan, documented using industry best practices.

As previously announced, on January 2, Riverstone Holdings LLC, and their affiliate Riverstone Investment Group (collectively, "Riverstone") entered into a sub management agreement for RCOI with Breakwall Capital LP. Breakwall is an independent asset manager regulated by the SEC as a Registered Investment Advisor. It is owned and operated by the former members of the Riverstone Credit Partners team.
