Winding-Up Petition

Hellenic Dynamics plc (LSE: HELD), a medical cannabis cultivator focused on producing medical cannabis flowers for global markets announces that on 1 November 2024 a petition for the compulsory liquidation of the Company was filed by a shareholder. The sum claimed in the petition as at the date of the petition is a total of £32,274.26. The petition is due to be heard in the High Court on 18 December 2024. It is the belief of the directors of the Company that this petition amounts to an abuse of the process of the High Court due to the fact that the petitioner is not a creditor of the Company and as such, the Company will be making an application to the High Court for the petition to be dismissed.
