Notes to Editors

Vertu Motors is the fourth largest automotive retailer in the UK with a network of 199 sales outlets across the UK. Its dealerships operate predominantly under the Bristol Street Motors, Vertu and Macklin Motors brand names.

Vertu Motors was established in November 2006 with the strategy to consolidate the UK motor retail sector. It is intended that the Group will continue to acquire motor retail operations to grow a scaled dealership group. The Group's acquisition strategy is supplemented by a focused organic growth strategy to drive operational efficiencies through its national dealership network. The Group currently operates 196 franchised sales outlets and 3 non-franchised sales operations from 154 locations across the UK.

Vertu's Mission Statement is to "deliver an outstanding customer motoring experience through honesty and trust".
