About Sequoia Economic Infrastructure Income Fund Limited

- SEQI is the UK's largest listed debt investor, investing in economic infrastructure private loans and bonds across a range of industries in stable, low-risk jurisdictions, creating equity-like returns with the protections of debt.
- It seeks to provide investors with regular, sustained, long-term income with opportunity for NAV upside from its well-diversified portfolio. Investments are typically non-cyclical, in industries that provide essential public services or in evolving sectors such as energy transition, digitalisation or healthcare.
- Since its launch in 2015, SEQI has provided investors with over nine years of quarterly income, consistently meeting its annual dividend per share target, which has grown from 5p in 2015 to 6.875p per share in 2023.
- The fund has a comprehensive ESG programme combining proprietary ESG goals, processes and metrics with alignment to key global initiatives.
- SEQI is advised by Sequoia Investment Management Company Limited (SIMCo), a long-standing investment advisory team with extensive infrastructure debt origination, analysis, structuring and execution experience.
