About KX

KX is on a mission to make AI a commercial reality for the many by addressing data challenges that impede deployment at scale. By simultaneously ingesting and analysing high volumes of historical and real-time data, KX's AI-ready analytical database enables organizations to unlock the full value of their data to accelerate innovation and make faster, more confident decisions.

KX is the world's most performant, cost-effective and energy-efficient analytical database, delivering advanced data algorithms, insights and analytics at unmatched scale and speed. KX is trusted by the world's top investment banks, Aerospace and Defence, high-tech manufacturing and health and life sciences organizations and operates across North America, Europe, and Asia Pacific.
