About Greatland

Greatland is a gold and copper mining company listed on the London Stock Exchange's AIM Market (LSE:GGP) and operates its business from Western Australia.

The Greatland portfolio includes the 100% owned Telfer gold-copper mine, the adjacent 100% owned world class Haveron gold-copper project (under development), and a significant exploration portfolio within the surrounding region. The combination of Telfer and Haveron provides for a substantial and long life operation in the Paterson Province in the East Pilbara region of Western Australia.

Greatland is targeting a dual listing on the ASX in the June quarter 2025.
