**About Xaar plc**

Xaar is an inkjet innovator, providing printheads and technologies for OEM and UDI customers worldwide.

By helping customers lay down precise volumes of inks and fluids with absolute pin-point accuracy, time after time, Xaar's inkjet printheads and technologies meet the needs of numerous markets. Covering graphics, labelling, direct-to-shape, packaging, product decoration, ceramic tile and glass decoration, textiles, 3D, décor, and outer case coding applications - as well as printing with specialist functional fluids for advanced manufacturing techniques.

Collaboration is at the very core of its business. Xaar works as a trusted partner from sites in Europe and China, providing expert insights and technical support every step of the way.

With over 30 years' experience, around 200 patents registered or pending, and major ongoing R&D investment, Xaar's digital printhead and precision jetting technologies create infinite opportunities for today's sustainable manufacturing innovation.
