PENNANT INTERNATIONAL GROUP PLC

### Award of Options

Pennant International Group plc (AIM: PEN) (the "**Company**") announces that it has granted new EMI options over unissued ordinary shares of 5p each in the capital of the Company ("**ordinary shares**") to its executive directors, as per the table below (the "**New Options**"):

Director	Role	Number of ordinary shares under each New Option
Philip Walker	Chief Executive Officer	289,473
Darren Wiggins	Chief Financial Officer	400,000
David Clements	Commercial & Risk Director	100,000

The New Options are subject to vesting conditions tied to achieving growth in the Company's share price, vesting in tranches as and when certain milestones are achieved and the share price sustained at that level for at least 30 days, as follows:

Target share price	% of New Options vesting
50p	50%
75p	25%
100p	25%

In order for the New Options to vest, the target share price(s) must be achieved during the three years following the date of grant (the "**Performance Period**") and to the extent that the New Options have not vested during the Performance Period, the rights over the unissued shares will lapse. Any shares that are acquired pursuant to exercise of the New Options must be held by the relevant executive director for at least the Performance Period. The exercise price under the New Options is 28.5 per share.

The New Options are subject to further conditions contained in the Company's EMI scheme document, as approved by shareholder vote in 2019. Each executive director's New Options lapse should his employment cease.

The tables below provide further details for each PDMR.
