**Agronomics Limited**  
("Agronomics" or the "Company")

**Exercise of Warrants**

**Total Voting Rights**

Agronomics Limited (AIM:ANIC), a leading listed company focused on cellular agriculture, announces that pursuant to the receipt of notices for the exercise of warrants, it is issuing 3351 Ordinary Shares with a nominal value of £0.000001 each in the capital of the Company ("Shares") at a subscription price of 30.0p per Share. The Company has received gross proceeds of £1005.30.

Application has been made for 3351 Shares to be admitted to trading on AIM ('Admission'), with Admission expected to occur on or around 19 December 2024.

The Shares will rank *pari passu* with the existing Ordinary Shares, including the right to receive all dividends and other distributions declared after the date of their issue.

Following Admission of the Shares, the Company will have 1,009,417,295 ordinary shares with a nominal value of £0.000001 each in issue with voting rights and admitted to trading on AIM. This figure may then be used by shareholders in the Company as the denominator for the calculation by which they will determine if they are required to notify their interest in, or a change to their interest in, the share capital of the Company under the Financial Conduct Authority's Disclosure and Transparency Rules.

**About Agronomics**

Agronomics is a leading listed company focussing on investment opportunities within the field of cellular agriculture. The Company has established a portfolio of over 20 companies in this rapidly advancing sector. It seeks to invest in companies owning technologies with defensible intellectual property that offer new ways of producing food and ingredients with a focus on products historically derived from animals. These technologies are driving a major disruption in agriculture, offering solutions to improve sustainability and address human health, food security, and animal welfare.
