**Trading Update**

Filtronic plc (AIM: FTC), the designer and manufacturer of products for the aerospace, defence, space and telecoms infrastructure markets, is pleased to provide the following trading update ahead of reporting its interim results for the six months ended 30 November 2024.

The Group expects to report a strong set of results for the period with significant growth in revenue and profits. Customer demand remains robust with the second half benefitting from pull-forward of customer orders. Consequently, the Board now expects to deliver stronger results for the full year than current market expectations.

**Nat Edington, Chief Executive Officer, said:** "We are delighted with the continued momentum that we have achieved and look forward to focussing on delivering these increased expectations over the remainder of the year."
