

## **Investment in New Semiconductor Plant in Texas, U.S.**

Samsung Electronics Co., Ltd. (KS005930, KS005935, SMSN, SMSD) ("Samsung Electronics" or the "Company"), on December 23, 2024, announced the following matters.

1. Title: Investment in New Semiconductor Plant in Texas, U.S.

2. Main Points

- Samsung Electronics has signed a Direct Funding Agreement (DFA) with the U.S. Department of Commerce for semiconductor subsidies of USD 4.745 billion under the CHIPS Act.
- The projected investment of USD 37 billion or more will be allocated to cover construction and equipment costs, with operations tentatively set to commence in 2026.
- However, the target date of commencement and investment amount may change depending on the situation of the Company and/or the market, etc.
- Samsung Electronics plans to expand its capacity for production of semiconductors through this investment to address growing demands for core, cutting-edge system semiconductors as well as to contribute to the stabilization of the global semiconductor supply chain.

3. Decision Date (Confirmation Date): December 21, 2024

4. Other important information regarding investment decisions

- The Decision Date refers to the announcement date of the DFA with the U.S. Department of Commerce.
- The schedule and investment amount mentioned above are forward-looking statements and are subject to change depending on the situation of the Company and/or the market, etc.
