**About Blackbird plc**

Blackbird plc operates in the fast-growing SaaS, Media and Entertainment and content creation markets. Blackbird plc's patented technology allows for frame accurate navigation, playback, viewing and editing in the cloud and it has two products.

Blackbird® a market leading suite of cloud-native computing applications, is used by rights holders, broadcasters, sports and news video specialists, live events and content owners, post production houses, other mass market digital video channels and corporations.

elevate.io is the company's new online collaborative content creation platform currently in general release. [elevate.io](https://elevate.io) is built using Blackbird's core technology and is aimed at professional teams and the fast growing Creator Economy.

Blackbird plc also licences its core video technology, under its 'Powered by Blackbird' licensing model, enabling video companies to accelerate their path to true cloud business models.
