GS Technologies Ltd

("GST" or the "Company")

Retail Offer

GSTechnologies Ltd (LSE:GST), the fintech company, is pleased to announce an offer to its existing retail shareholders via CMC CapX (the "**Retail Offer**") of up to 13,157,894 new ordinary shares of no par value in the capital of the Company (the "**Retail Offer Shares**") to raise gross proceeds of up to £250,000.

In addition to the Retail Offer, the Company has also conducted a placing of new ordinary shares (the "**Placing**") to raise gross proceeds of £2,000,000 (the "**Placing Shares**" and together with the Retail Offer Shares, the "**Fundraising Shares**"). The price of the Fundraising Shares is 1.90 pence (the "**Issue Price**").

A separate announcement has been made earlier today regarding the Placing and its terms. For the avoidance of doubt, the Retail Offer is separate from and does not form part of the Placing.

The Retail Offer is conditional on the Fundraising Shares being admitted to trading on the Main Market of the London Stock Exchange plc ("**Admission**"). Admission is expected to take place at 8.00 a.m. on or around 23 January 2025. Completion of the Retail Offer is conditional, *inter alia*, upon the completion of the Placing.

The Retail Offer

The Company values its retail shareholder base and believes that it is appropriate to provide its existing retail shareholders in the United Kingdom the opportunity to participate in the Retail Offer via participating financial intermediaries.

Therefore, the Company is making the Retail Offer open to Eligible Shareholders (as defined below) in the United Kingdom via the CMC CapX Platform following release of this announcement.

To be eligible to participate in the Retail Offer, applicants must be: (i) a retail shareholder of the Company on or prior to the release of this announcement; and (ii) resident in the United Kingdom; and (iii) a customer of a participating intermediary (such persons being "**Eligible Shareholders**").

The Retail Offer is expected to close by 4p.m. on 17 January 2025, but the Company reserves the right to close it earlier. Eligible Shareholders should note that financial intermediaries may also have earlier closing times.

Expected timetable

Retail Offer opens	8 a.m. on 14 January 2025
Retail Offer closes	4 p.m. on 17 January 2025
Announcement of the results of the Retail Offer	7 a.m. on 20 January 2025
Admission of the Retail Offer Shares and crediting of CREST accounts	8 a.m. on or around 23 January 2025

The dates and times specified above are subject to change. In particular, the Company may (with the prior approval of CMC Markets UK plc) bring forward, extend or postpone the closing time and date for the Retail Offer. In the event that a date or time is changed, the Company will notify financial intermediaries who have applied for Retail Offer Shares on behalf of retail investors by post, by electronic mail or by the publication of a notice through a Regulatory Information Service.

Other retail brokers or wealth managers which, in each case, are investment professionals (within the meaning of article 19 of the Financial Services and Markets Act 2000 (Financial Promotion) Order 2005), wishing to participate in the Retail Offer on behalf of Eligible Shareholder, should contact CMC Capx via capx@cmcmarkets.com or +44 (0) 20 3003 8632.

Eligible Shareholders wishing to subscribe for Retail Offer Shares should contact their broker or wealth manager who will confirm if they are participating in the Retail Offer.

There is a minimum subscription of £250 per investor. The terms and conditions on which investors subscribe will be provided by the relevant financial intermediaries including relevant commission or fee charges.

The Company reserves the right to scale back any order under the Retail Offer at its discretion. The Company reserves the right to reject any application for subscription under the Retail Offer without giving any reason for such rejection.

It is vital to note that once an application for Retail Offer Shares has been made and accepted via an intermediary, it is irrevocable and cannot be withdrawn.

The Retail Offer Shares will, when issued, be credited as fully paid and will rank *pari passu* in all respects with existing ordinary shares in the capital of the Company ("**Ordinary Shares**") including the right to receive all dividends and other distributions declared, made or paid after their date of issue.

The Retail Offer is an offer to subscribe for transferable securities, the terms of which ensure that the Company is exempt from the requirement to issue a prospectus under Regulation (EU) 2017/1129 as it forms part of UK law by virtue of the European Union (Withdrawal) Act 2018 as amended ("**EUWA**"). It is a term of the Retail Offer that the aggregate total consideration payable for the Retail Offer Shares will not exceed £250,000 (or the equivalent in Euros). The exemption from the requirement to publish a prospectus in section 86(1)(e) of the Financial Services and Markets Act 2000 (as amended) will apply to the Retail Offer. As such, there is no need for publication of a prospectus pursuant to the Prospectus Regulation Rules of the FCA, or for approval of the same by the FCA.

The Retail Offer is not being made into any jurisdiction other than the United Kingdom.

No offering document, prospectus or admission document has been or will be prepared or submitted to be approved by the FCA (or any other authority) in relation to the Retail Offer and investors' commitments will be made solely on the basis of the information contained in this announcement and information that has been published by or on behalf of the Company prior to the date of this announcement by notification to a Regulatory Information Service in accordance with the Disclosure Guidance and Transparency Rules, the UK Listing Rules of the FCA, the Market Abuse Regulation (EU Regulation No. 596/2014) as it forms part of United Kingdom law by virtue of EUWA.

Investors should make their own investigations into the merits of an investment in the Company. Nothing in this announcement amounts to a recommendation to invest in the Company or amounts to investment, taxation or legal advice.

It should be noted that a subscription for Retail Offer Shares and investment in the Company carries a number of risks. Investors should take independent advice from a person experienced in advising on investment in securities such as the Retail Offer Shares if they are in any doubt.

An investment in the Company will place capital at risk. The value of investments, and any income, can go down as well as up, so investors could get back less than the amount invested.

Neither past performance nor any forecasts should be considered a reliable indicator of future results.

UK Product Governance Requirements

Solely for the purposes of the product governance requirements of Chapter 3 of the FCA Handbook Product Intervention and Product Governance Sourcebook (the "**UK MiFIR Product Governance Requirements**"), and disclaiming all and any liability, whether arising in tort, contract or otherwise, which any "manufacturer" (for the purposes of the UK MiFIR Product Governance Requirements) may otherwise have with respect thereto, the Retail Offer Shares have been subject to a product approval process, which has determined that the Retail Offer Shares are: (i) compatible with an end target market of retail investors and investors who meet the criteria of professional clients and eligible counterparties, each as defined in paragraphs 3.5 and 3.6 of COBS; and (ii) eligible for distribution through all permitted distribution channels (the "**Target Market Assessment**"). Notwithstanding the Target Market Assessment, distributors should note that: the price of the Retail Offer Shares may decline and investors could lose all or part of their investment; the Retail Offer Shares offer no guaranteed income and no capital protection; and an investment in the Retail Offer Shares is compatible only with investors who do not need a guaranteed income or capital protection, who (either alone or in conjunction with an appropriate financial or other adviser) are capable of evaluating the merits and risks of such an investment and who have sufficient resources to be able to bear any losses that may result therefrom. The Target Market Assessment is without prejudice to any contractual, legal or regulatory selling restrictions in relation to the Retail Offer.

For the avoidance of doubt, the Target Market Assessment does not constitute: (a) an assessment of suitability or

appropriateness for the purposes of Chapters 9A or 10A respectively of COBS; or (b) a recommendation to any investor or group of investors to invest in, or purchase, or take any other action whatsoever with respect to the Retail Offer Shares. Each distributor is responsible for undertaking its own target market assessment in respect of the Retail Offer Shares and determining appropriate distribution channels.
