

SAINT-GOBAIN COMPLETES THE ACQUISITION OF OVNIVER GROUP IN MEXICO & CENTRAL AMERICA, FURTHER STRENGTHENING ITS WORLDWIDE PRESENCE IN CONSTRUCTION CHEMICALS

Saint-Gobain has today completed the acquisition [announced on August 15, 2024](#), of OVNIVER Group (Cemix brand), a leading construction chemicals player in Mexico and Central America.

Following the acquisitions of Chryso, GCP and FOSROC (underway), this represents **another strategic step in establishing Saint-Gobain's worldwide presence in construction chemicals, which will have combined sales of €6.5 billion across 76 countries following the acquisition (pro forma).**

OVNIVER Group is expected to have generated revenues **of 285 million in 2024, with a growth rate of around 20% per year on average** over the last 5 years, operates 16 manufacturing plants and has around 1,000 employees. The Group offers a wide range of **innovative solutions for residential and non-residential construction markets**, including façade coatings, tile adhesives, waterproofing and surface preparation mortars.

This acquisition **strengthens Saint-Gobain's presence in the high-growth Mexican and Central American markets** and is **fully aligned with the Group's strategy to accelerate its worldwide presence in construction chemicals.**

OVNIVER Group will be consolidated into the Americas Region.
