Notes to editors

Alpha is a high-tech, high-touch provider of enhanced financial solutions dedicated to corporates and institutions operating internationally. Working with clients across 50+ countries, we blend intelligent human capabilities with new technologies to solve complex problems across three key areas: FX risk management, global accounts and mass payments.

Key to our success is our team - over 400 people based across seven global offices, brought together by a high-performance culture and a partnership structure that empowers them to act as owners of our business.

Despite being an established business listed on the London Stock Exchange, we remain relentlessly focused on maintaining the same level of operational agility and client focus we had when we first started in 2009. This dynamic, combined with the passion of our people, have enabled us to make a substantial and enduring difference to our clients, and deliver a growth story to match.
