Announcement

Electrica invites its shareholders to vote online for the General Meetings of Shareholders from 5 February 2025

Societatea Energetica Electrica S.A. (Electrica) reminds its shareholders that, starting today, 16 January 2025, the online voting platform <https://electrica.voting.ro> is available for voting for the General Meetings of Shareholders (GMS) from 5 February 2025. Only the persons registered as shareholders in the shareholders' register held by Depozitarul Central at the Reference date 8 January 2025 have the right to attend and cast their votes.

The online voting through the <https://electrica.voting.ro/> platform will be available both before the shareholders' meeting, and also live during the meeting, both for those present in the meeting room and for the shareholders connected remotely by electronic means, natural and legal shareholders. Also, a shareholder or a legal representative of one or more shareholders may vote both in their own name and as the legal representative of several shareholders, by creating a single account.

We remind our shareholders who created user accounts after October 2024 that these may also be used to participate and vote in these meetings, as well as in future GMSs, without the need to recreate the account, provided that the respective user is a shareholder on the reference dates of the respective GMS. Users may also view their own votes in all GMSs in which they participated and voted.

The shareholders' meeting will be live streamed through the above mentioned platform.

The shareholders who wish to participate in person are asked to arrive at the location of the meeting (at the Company's headquarters in Bucharest, 9 Grigore Alexandrescu St., District 1, "Radu Zane" conference room) at least 15 minutes before the meeting, in order to allow sufficient time for registration.

We also remind the shareholders that, alternatively, they can exercise their voting rights by correspondence or by proxy, with the mention that the related documents must be received by Electrica until **31 January 2025, inclusively**.

For more details, we kindly ask the shareholders to consult, on the company's website, the [Policy on organizing and running the GMS](#) and the [Procedure for using electronic means of participation and voting at the GMS of Electrica](#), as well as the convening notice and the documents related to the meeting, available here: [General Meeting of Shareholders as of 5 February 2025](#).
