About Marshalls plc

Established in the late 1880s, Marshalls plc is a leading UK manufacturer of sustainable solutions for the built environment. It operates through three trading divisions: Landscaping; Roofing; and Building. At a Group, divisional and brand level, Marshalls' strategy centres around its customers who value its unique set of capabilities, namely leading brands, best in class technical and design support and carbon leadership. This is underpinned by business wide enterprise excellence, leadership in ESG governance and standards and its people, organisation, and culture.

The Group operates a national network of manufacturing and distribution sites. Marshalls is committed to quality in everything it does, including the achievement of high environmental and ethical standards and continual improvement in health and safety performance. Its strategic goal is to become the UK's leading manufacturer of sustainable solutions and products for the built environment.
