About Team Internet Group plc

Team Internet (AIM: TIG, OTCQX: TIGXF) creates meaningful and successful connections from businesses to domains, brands to consumers, publishers to advertisers, enabling everyone to realise their digital ambitions. The Company is a leading global internet solutions company that operates in two highly attractive markets: high-growth digital advertising (Online Marketing segment) and domain name management solutions (Online Presence segment). The company's Online Marketing segment creates privacy-safe and AI-generated online consumer journeys that convert general interest online media users into confident high conviction consumers through advertorial and review websites. The Online Presence segment is a critical constituent of the global online presence and productivity tool ecosystem, where Team Internet serves as the primary distribution channel for a wide range of digital products. The company's high-quality earnings come from subscription recurring revenues in the Online Presence segment and revenue share on rolling utility-style contracts in the Online Marketing segment.
