**TEKMAR GROUP PLC**

("Tekmar Group", the "Group" or the "Company")

**Investor Presentation via Investor Meet Company**

Tekmar Group plc (AIM: TGP), a leading provider of technology and services for the global offshore energy markets, is pleased to announce that Richard Turner, CEO, and Leanne Wilkinson, CFO, will provide a live presentation on the Company's ambitious growth plans and value creation strategy via Investor Meet Company on 30 January 2025, at 14:00pm GMT.

The presentation will provide investors with an introduction to Richard as the new CEO of Tekmar. Management will also give an overview of Tekmar's transformational 3-year strategic plan to drive a step change in organic growth, alongside an update on the Group's ambitious M&A strategy aimed at driving additional scale and diversification.

The presentation is open to all existing and potential shareholders. Questions can be submitted pre-event via your Investor Meet Company dashboard up until 29 January 2025, 09:00am GMT, or at any time during the live presentation. A recording of the presentations will be available after the event and will be made available on the Company's website.

Investors can sign up to Investor Meet Company for free and add to meet Tekmar Group plc via:

<https://www.investormeetcompany.com/tekmar-group-plc/register-investor>

Investors who already follow Tekmar Group plc on the Investor Meet Company platform will automatically be invited.

**About Tekmar Group plc**

Tekmar Group plc collaborates with its partners to deliver robust and sustainable engineering led solutions that enable the world's energy transition.

Through our Offshore Energy and Marine Civils Divisions we provide a range of engineering services and technologies to support and protect offshore wind farms and other offshore energy assets and marine infrastructure. With near 40 years of experience, we optimise and de-risk projects, solve customer's engineering challenges, improve safety and lower project costs. Our capabilities include geotechnical design

and analysis, simulation and engineering analysis, bespoke equipment design and build, subsea protection technology and subsea stability technology.

We have a clear strategy focused on strengthening Tekmar's value proposition as an engineering solutions-led business which offers integrated and differentiated technology, services and products to our global customer base.

Headquartered in Newton Aycliffe, UK, Tekmar Group has an extensive global reach with offices, manufacturing facilities, strategic supply partnerships and representation in 18 locations across Europe, Africa, the Middle East, Asia Pacific and North America.
