**Contract Wins and Extensions**

Tialis, the mid-market IT Managed Services provider, is pleased to announce it has received confirmation of preferred partner and contract extensions totalling approximately £17.8m, marking an excellent start to FY25. Encouragingly a sizeable proportion of the customer wins are 5-year contracts, with multi-million-pound contracts for our lifecycle division.

The Company will provide further contract updates during year-end reporting, which is expected in April 2025.

**CEO, Ian Smith commented:**

*"Whilst market conditions remain highly competitive and economic uncertainty persists; the Company has improved future visibility and greater confidence as we look ahead."*
