About Made Tech

Made Tech is a provider of digital, data and technology services, which enable central government, healthcare, local government organisations and other regulated industries to digitally transform.

Made Tech's purpose is to "positively impact the future of society by improving public services technology". To achieve this the company has four key strategic missions: **Modernise** legacy technology and working practices; **Accelerate** digital service and technology delivery; **Drive** better decisions through data and automation; and **Enable** technology and delivery skills to build better systems.

The Group operates from four locations across the UK - London, Manchester, Bristol, and Swansea.
