New Contract Award - Screening Solutions to the USA

Westminster Group Plc (AIM: WSG), a leading supplier of managed services and technology-based security solutions worldwide, is pleased to announce that it has secured an additional US 300,000 contract to supply entry screening solutions to an existing international client to enhance security at a number of their sites across the United States of America.

Commenting on the Contract Award, Westminster’s Chief Executive Officer, Peter Fowler, said:

"In October 2024 the Company announced it had secured contracts worth over US 1.2m to provide a range of security services across a number of prominent sites in the United Kingdom for a major international organisation with operations in over 90 countries around the world.

"In that announcement we stated that, with our global reach and expertise, we anticipated we would be able to assist them with equipment and services at many of their other locations around the world.

"I am delighted therefore to be able to announce this latest contract award and we look forward to further assisting this organisation improve the security of their worldwide operations."
